**The HIDEAWAY of the Year 2012 is The St. Regis Mauritius Resort**

Located on the south-western tip of Mauritius, right beside the turquoise waters of the lagoon on the white sandy beach of the Le Morne peninsula at the foot of the mountain of the same name, The St. Regis Mauritius Resort welcomes its international guests. The premium-travelers who check in here can be sure of stepping into a glamorous world of opulence and luxury. The resort's focal point is an authentic Victorian-style Manor House modelled on sugar baron's mansion. Bringing to life the magnificent grandeur of that era are an encircling colonnade with a vast terrace beneath. Nestling amidst an enchantingly landscaped tropical garden with countless ponds and pools, the St. Regis Mauritius Resort offers its international clientele a choice of 172 luxurious rooms and suites with ocean views. From the moment guests check in to the resort, they can take advantage of one of the defining features of the St. Regis service, namely the legendary Butler Service, which is tailored to suit the particular needs and wishes of experienced travellers. "Our aim is for our guests to succumb to the world of St. Regis from the moment they arrive. We take care of everything for them. Countless guests are sure to experience moments of untold bliss here with us", says Bernard de Villèle, General Manager of the resort. The luxury resort offers a unique variety of culinary options that is second to none on the island. No fewer than six restaurants treat guests to cuisine from around the world. A further highlight and a temple of relaxation and rejuvenation is The Iridium Spa. We congratulate General Manager Bernard de Villèle and his team on the "HIDEAWAY of the Year 2012".
