

THE SECRET GARDEN TOUR

Buleleng: The North of Bali, the large regency of Buleleng, is a complete world on its own, which is found on the other side of the mountains overlooking the radiant and gentle Java Sea. This is a region of geographical superlatives. It boasts the wildest mountains and more waterfalls than in any other region in Bali. The economy of the north is based primarily on agriculture. It has rich plantations of coffee, cloves and fruit trees and some of the finest strains of Bali rice. A short trip of approximately 4 km from Singaraja to Sambangan takes you to the departure point. Our park ranger will show you, during a 3 hours lasting excursion, a magnificent path snaking upward through rice terraces, plantations of cloves and coffee. **Trekking:** Along the trail there are many spots that afford splendid views of the north of Bali. After passing secluded farms and rivers, discover the glory of several lovely waterfalls where you can take a refreshing bath in a natural “bath tub”. The Balinese are renowned for their friendliness and hospitality. Visitors of the villages are always welcomed by farmers who will be pleased to show you their traditional homes. The end of your trekking adventure will be a pleasant break at the “Shanti” Resort. Enjoy the magic atmosphere and the view over the valley, before we bring you back to the Matahari Beach Resort & Spa.
